

Frontend Developer

Description

Tech Avenue Private Limited is looking for a motivated and enthusiastic Frontend Developer Intern to join our Product Development Team.

If you're a student, recent graduate, or an entry-level developer looking to gain hands-on experience and work on real-world projects, this opportunity is for you

Responsibilities

- Basic knowledge of HTML, CSS & JavaScript
- Understanding of responsive web design
- Familiarity with Git/GitHub is a plus
- Basic knowledge of React.js is an advantage
- Strong problem-solving and learning mindset
- Good communication and teamwork skills

Qualifications

• Develop and maintain responsive web interfaces

- Convert UI/UX designs into functional frontend components
- Work with HTML, CSS, and JavaScript
- Assist with API integration and frontend-backend collaboration
- Troubleshoot and improve frontend/UI issues
- Work with modern frontend tools and frameworks
- Collaborate with developers and UI/UX designers
