Description

We are seeking a creative and detail-oriented Junior Video Editor to join our dynamic team. In this role, you will be responsible for assisting in the editing and production of video content that engages and informs our audience. You will work closely with senior editors and other team members to ensure that all video projects are completed on time and meet our high-quality standards.

Responsibilities

- Edit and assemble raw footage into polished video content, incorporating graphics, sound, and special effects as needed.
- Collaborate with the creative team to understand project goals and deliver compelling visual narratives.
- Assist in organizing and archiving video files and assets for easy access and retrieval.
- Review and provide feedback on video drafts, making necessary adjustments based on input from team members.
- Stay updated on industry trends and editing techniques to continuously improve skills and contribute innovative ideas.
- Ensure that all video content adheres to brand guidelines and quality standards.
- Participate in brainstorming sessions and contribute to the creative process.

Qualifications

- Proficiency in video editing software such as Adobe Premiere Pro, Final Cut Pro, or similar tools.
- Basic understanding of video production processes, including shooting, lighting, and sound.
- Strong attention to detail and a keen eye for visual storytelling.
- Ability to work collaboratively in a fast-paced environment and meet tight deadlines.
- Excellent communication skills and a positive attitude towards feedback and learning.
- A portfolio showcasing previous video editing work is preferred.
