# WordPress Developer

**Description**
We are expanding our digital team and looking for a talented Freelance Web Developer who loves both clean code and organized data!
If you are a WordPress wizard who knows how to design a beautiful UI/UX, optimize a site for SEO/speed, and effortlessly manage a thousands-of-products catalogue via CSV, we want to talk to you.

**Responsibilities**
• 2+ years building/maintaining online stores (WooCommerce, Shopify).
• Expert with Elementor, Theme Customization, HTML, CSS, & JavaScript.
• Knowledge of Schema Markup, Technical SEO, and Site Security.
• Experience with large-scale inventory, variants, and bulk sheet uploads.
• Fluent written and spoken Malayalam and English for international client collaboration.

**Hiring organization**

**Employment Type**
Full-time

**Job Location**
Remote work from: Anywhere
