junior graphic designer

Description
We are seeking a creative and motivated individual to join our design team. The ideal candidate will assist in the development of visual concepts and design solutions across various projects. Responsibilities include collaborating with senior designers to create engaging graphics, layouts, and digital content, as well as supporting the production of marketing materials and presentations.

Responsibilities

- Assist in creating visual designs for print and digital platforms.
- Collaborate with team members to brainstorm and develop innovative design concepts.
- Prepare and edit images, graphics, and layouts for various projects.
- Ensure brand consistency across all design materials.
- Participate in design reviews and incorporate feedback into revisions.
- Stay updated on design trends and technologies to enhance creativity and effectiveness.

Qualifications

- Proficiency in design software such as Adobe Creative Suite (Photoshop, Illustrator, InDesign).
- Strong understanding of design principles, typography, and color theory.
- Ability to work collaboratively in a team environment.
- Excellent communication skills and attention to detail.
- A portfolio showcasing relevant design work is required.
