junior graphic designer

Description

We’re looking for a creative and detail-oriented **Junior Graphic Designer** to support our Head of Marketing and Sales team by producing high-quality presentations and a wide variety of visual assets. This is an excellent opportunity for an early-career designer to gain hands-on experience across marketing and sales enablement while developing their craft in a fast-paced environment.

What You’ll Do

- Design and maintain sales and marketing decks (PowerPoint-heavy) in collaboration with Marketing and Sales
- Create a range of visual assets including presentations, one-pagers, social graphics, digital assets, and internal materials
- Support the Head of Marketing with campaign visuals and brand initiatives
- Ensure all designs align with brand guidelines and visual standards
- Assist with layout, typography, and visual storytelling for client-facing materials
- Manage multiple projects and deadlines while maintaining attention to detail
- Iterate quickly based on feedback from stakeholders

What We Offer

- Hands-on mentorship from senior marketing leadership
- Exposure to both marketing and sales strategy
- A collaborative, creative environment
- Opportunities for growth and skill development
- Competitive salary and benefits
