Shopify Senior Consultant

Description
We are looking for an experienced Shopify Developer with strong enterprise-level expertise in Shopify Plus and Headless Commerce.

Key Skills & Requirements

- Strong experience in Enterprise Shopify / Shopify Plus and Headless Shopify.
- Proficiency in JavaScript, TypeScript, Vue.js, and frontend development.
- Hands-on experience with GraphQL, Shopify Admin API, Storefront API, and Webhooks.
- Experience in custom Shopify app development and third-party API integrations.
- Strong knowledge of Shopify Liquid.
- Expertise in coding, debugging, and performance optimization.
- Ability to manage tasks end-to-end and provide production support.
- Excellent communication and stakeholder management skills.
- Git and deployment experience is an added advantage.
