Video Editor

Description
We’re looking for a talented video editor to join our marketing team. You’ll work closely with our creative team to bring scripts to life and create high-performing ads for Meta (mainly UGC-style).

Requirements

- 3-4 years of experience in video editing with a strong portfolio showcasing social ads
- Experience with UGC-style ad formats
- Has created winning ads with high spend and strong ROAS
- Strong in animation and motion graphics
- Experience with Adobe Premiere Pro
- Experience with Adobe After Effects
- Experience editing ads for Meta
- Experience collaborating with creative strategists
- Availability during Eastern Time business hours
- Bonus: Experience with Blender or other 3D animation tools
